

JAR

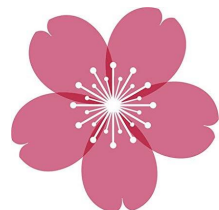

Čo to, čo to, čo sa deje?
Slniečko sa na nás smeje.

Snežienky rozkvitli,
vtáci sa smejú,
mušky si na slnku krídelká hrejú.

Lastovičky prileteli,
včielky pekne bzučia,
potok nám spieva o jari,
všetky stromy pučia.

Trávička je zelená,
slnko stále hreje,
o jari si spievame,
veď nič krajšie nie je.
